You understand and agree to allow us to use some or all of the money in your Account to pay any debts that you owe us without prior notice to you.

## **Closing your HISA**

**Summary:** This part contains details on closing your HISA.

You may choose to close your HISA at any time and at no cost. Items presented for payment after the HISA is closed may be dishonored. This includes any promotional offers and may include funds returned as the result of an unsuccessful or returned transfer or payment. We will make reasonable efforts to contact you to arrange payment to you of funds returned following an unsuccessful transaction, however we reserve the right to send to the Bank of Canada, any funds so returned, despite our reasonable efforts.

In the event your HISA is closed and there is a balance, we may, at our option, send by EFT to any one of your External Linked Accounts or by cheque mailed to the address we have on file for you, that amount, less any outstanding debts or other obligations you owe us, according to our rights of Set-Off described above. Closing your HISA does not release you from any debt obligation to us.

**Summary:** This part summarizes our ability to suspend or terminate your Account or our Services in certain circumstances.

You acknowledge that we may, in our sole discretion, suspend or terminate your HISA, or your access to your HISA. In situations where we have closed your HISA, any balance remaining in your HISA will be paid to you less any outstanding debts or other obligations you owe us, according to our rights of Set-Off described above. We will not be liable for any dishonored payments after your HISA is closed. We will make reasonable efforts to contact you to arrange payment to you of any funds returned following an unsuccessful or returned transfer or payment after your HISA has been closed, however we reserve the right to send to the Bank of Canada, any funds so returned, despite our reasonable efforts.

Upon your death or incapacity, we are authorized to take steps or restrict transactions to the Account which we deem prudent or advisable. Upon receipt of the proper and required legal documents following your death or incapacity, we will transfer the balance of your funds to your legal representative and close your Account. In all cases, you (or your estate) will continue to remain responsible for any transaction on the Account. Your estate representative will have the same rights, responsibilities and obligations under this Account Agreement as you, the account holder, unless we determine otherwise.

There are no fees or associated costs for terminating your Mobile Banking or Online Banking services.

## **Dormant Accounts**

**Summary:** This part describes our process with respect to dormant Accounts.

We will attempt to contact you after 2 years, 5 years, and 9 years of Account inactivity. Service fees may be charged on Accounts which are inactive or abandoned. If there are insufficient funds in your Account to cover the service fees we are owed, we may close the Account without notice to you. Canadian dollar accounts which are abandoned will be subject to escheat (this means the deposits become the property of the federal government) in accordance with federal law and transferred to the Bank of Canada. The mandate of Payments Canada is to establish, operate, and maintain systems for the clearing and settlement of payments among member financial institutions on behalf of their customers — individuals, businesses, and governments. Please see the summarized Payments Canada rules below for information on your rights and responsibilities. These are not intended to replace the wording from the underlying Payments Canada rules.

### *1. Your authorization.*

By linking an External Linked Account in accordance with this Account Agreement, you agree that this authorization is provided for the benefit of your other financial institution(s) and you authorize us to process Funds Transfer requests against your Account according to the Payments Canada rules.

You agree that this authorization is provided for our benefit and for the benefit of the other designated financial institution(s). You also agree that this authorization is provided in consideration of us agreeing to process debits against your designated External Linked Account(s) in accordance with this Account Agreement.

This authorization has no bearing on any other agreement or service you have with us; it only applies to the method of payment. The financial institution(s) at which you maintain your External Linked Account(s) is (are) not required to verify that the debit transactions are drawn in accordance with this authorization.

Changes to your External Linked Account information should be communicated to us before any electronic funds transfer requests are made. You may cancel this authorization at any time by providing notice to us. We require three days to process your cancellation request. The cancellation of this authorization does not terminate any other agreement you may have with us.

You acknowledge that your use of your Electronic Identification (Username and password) establishes authorization for us to process debits to your Account(s) as requested.

### *2. Pre-authorized debits (PAD)*

Your initial request and all such subsequent requests to have money transferred to and/or from your Account to that of another financial institution constitutes an EFT Pre-Authorized Debit ("PAD"). All EFTs are customer-initiated Pre-Authorized Debits where money is moved by the same customer from the account of one financial institution to the account of another financial institution. We will process an EFT and move funds only at the customer's initiation and request and as per the customer's instructions, Including amount, frequency, etc. The timing and amount of EFTs will vary according to the instructions received from you. To arrange an EFT, you may log into our Online Banking or Mobile Banking services and authorize

an electronic funds transfer online. It is your responsibility to either provide us with, or enter online, the correct information in order to process your EFT. We will process such transactions in accordance with the Rules of the Canadian Payments Association and these Account Terms. For an overview of your rights and responsibilities with respect to PADs, please visit Payments Canada at [payments.ca](http://payments.ca).

### *3. Cancellation*

You may revoke your authorization or cancel a PAD at any time by providing us notice at least 10 days prior to your next scheduled PAD. You agree that your cancellation of the PAD Agreement will take effect upon receipt and confirmation by us. You acknowledge that you have the ability to instruct us to make changes to any PAD arrangements you make with us at any time. You may obtain a sample cancellation form or further information on your right to cancel a PAD Agreement from us or by visiting Payments Canada at [payments.ca/](http://payments.ca/).

### *4. Notices of change*

You agree to inform us of any change in the External Account information prior to any requests being made for the transfer of funds. This pertains specifically to your External Account(s) which you hold with your other financial institution(s) where you previously provided your authorization to us, to draw funds from those accounts by providing us with the linking information.

All PAD agreements that you enter into with a third party must follow the rules outlined by Payments Canada.

It is your responsibility to advise the third party of any Account changes and if you wish to cancel a PAD.

You will be held responsible should any charges be incurred if debits cannot be processed due to insufficient funds or for any other reasons.

We are not responsible should a third party fail to act upon PAD instructions provided by you.

It is highly recommended that you regularly examine your Account transactions and deal with any discrepancies or concerns regarding any PAD within the time periods specified in the PAD Rules established by Payments Canada.
